

The City of Eureka and
The County of Humboldt
invite you to a

Climate Action Plan Public Workshop

Wednesday, January 15, 2020

Doors: 5:00 | Presentation: 5:30 p.m.

Wharfinger Building, 1 Marina Way, Eureka CA

Climate change is already having an impact in the North Coast region, and Humboldt County's local governments are coming together to chart a new path.

What is your vision for reducing greenhouse gas emissions? Join us to learn about the Regional Climate Action Plan and weigh in on actions the City of Eureka can take to address local sources of emissions. **Light refreshments provided!**
